Dear Friend:

The Hampton School Association (HSA) is pleased to announce that we will be sponsoring our Tricky Tray Auction on February 28, 2015. The proceeds from the auction will benefit the students of Hampton Public School with the purchase of school supplies and special school activities.

In years past businesses like yours have generously contributed to our auction, making this event a huge success! We place each donation on a table with a card indicating the business from which it was donated – so every participant will view your item. We announce your business name as your donation is auctioned off, and we include your business name in our program which is distributed to every guest. This provides for 3 opportunities to have your business advertised at the Tricky Tray.

At this time we are requesting your support by donating a gift certificate from your business, or an item that can be raffled off. A cash donation is also appreciated – we will purchase an item and attach your business name to it. We are grateful for any support you can provide, and in return we will enthusiastically encourage our participants to patronize your business!

We thank you again for your consideration and support. If you would like to mail in your donation, please use the address printed above and mark your envelope “Attention: Tricky Tray Committee”. If you have any questions, please don’t hesitate to contact us.

Very truly yours,

Kathleen Walton, (908) 500-8660 / kathleenwalton@comcast.net
